FAREWELL BRENS OVAL AS WE HAVE KNOWN IT FOR DECADES

Highlight Reunion - 50 Years Ago B Grade Premiers

Highlight Reunion - 40 Years Ago C Grade Premiers

PAST PLAYERS REUNION LUNCHEON 2010

Sat August 14th 2010, Noon, at Brens Pavilion, Parkville Last Home game v West Brunswick.

All past players & supporters are invited to come along to the annual once a year luncheon at our pavilion that has ducted heating etc. **Bookings for the caterer [sit down meal – alcohol etc] is essential - \$50.00 All Inclusive.**

Back in 2000 we ran the 30/40 year combined reunion and almost ¾ s of both teams attended. This is probably going to be your last chance to see “the old boys” from 1960/70 as a group. I will be contacting everyone that I can track down. If you know the whereabouts of fellow premiership players please let them know about the day & forward their contact details to me.

UHSOB Club News:

- Back in 1960 there was one team. In 2010 we now have 4 Green & Tans: Seniors, Reserves, Club 18 [first time] and a team in the under 18s under the name of UHS/Flemington Juniors. They are all in the VAFA.
- We have been informed by the Melbourne City Council that Brens Oval will be dug up in 2011. It is their intention to redevelop the surface in terms of grass, slope etc. It will mean that we can't play on the ground at all in 2011. At this moment they can't assure us of where we will be playing next year.
- As such we will lose control of the pavilion and hence there **will not be a reunion next year**. It is for this reason & the 40/50 year milestones that I implore you to make the long trip back to Brens again. At the time of writing both George Murray & Col Kinnear are very keen to see their “charges” once more.
- Last year the club outlaid \$10,000 and bought lockers for the current players in club colours. I am delighted to say **44 past players** sent along \$100.00 to get their name **permanently** on the locker that corresponded to their old playing number. I welcome all of you that have played in a premiership, played 100 games or more or been a best and fairest or long standing club official/notable to join in this project. I want the current players to understand the history of our great club.
- Again we will be running our **\$50 Superdraw** reverse order draw held in late August. There are only 100 tickets available and the prize is \$1000. You don't have to be present to win. Social Membership and player sponsorship can also be ways that you assist your old club.

Check out our website - uhsobvu.com or the VAFA website on vafa.com.au for results Div3, Fixture, Ladders. More information can be obtained from Tony Boyce
